THE ROLE OF THE GERIATRIC NURSE

A Geriatric Nurse is a specialist that helps care for aging and elderly individuals.

Geriatric Nurses are trained to be able to perform traditional nursing duties, yet they also have special training that helps them better understand the special needs of many elderly people.

RECOGNIZED

SEC is a registered institution of the Ministry of Education, since 2004. Employers have grown to trust & recognize our training programmes.

ACCREDITED

Our Geriatric Nursing programme is accredited by the National Council on Technical & Vocational Education (NCTVET) which is recognized in 72 commonwealth countries.

WORKING EXPERIENCE

Practical learning and leadership opportunities are at the core of the SEC experience.
