WHO IS A MEDICAL ASSISTANT?

Medical Assistants work alongside physicians, mainly in outpatient or ambulatory care facilities, such as medical offices and clinics.

DUTIES OF A MEDICAL ASSISTANT

Medical Assistants are cross-trained to perform administrative and clinical duties. Clinical duties include:

- Preparing and administering medications as directed by a physician
- Assisting the physician during exams
- Drawing blood

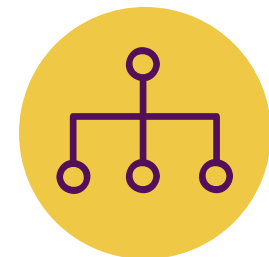

RECOGNIZED

SEC is a registered institution of the Ministry of Education, since 2004. Employers have grown to trust & recognize our training programmes.

ACCREDITED

Our program is approved by the American Allied Health. Graduates can therefore take this certification exam, which means more opportunities for you.

WORKING EXPERIENCE

Practical learning and leadership opportunities are at the core of the SEC experience.
